From the A5 Motorway, please use the exit »Heidelberg / Stadtmitte« and follow the signs for, »Stadtmitte / Altstadt«, the symbol for the castle (black castle on white background) and the blue signs for the Car Park number 12 »P12«. Should you only have light luggage with you, we suggest you drive immediately to the car park, as this is only approximately 50m from the Hotel. Hotel Guests can purchase exit tickets at a reduced price of Euro 8,- per night, from the reception. The reduced rate for parking is valid only for car park number 12 and not for any of the other public car parking facilities within Heidelberg.

Should you wish to drive up to the Hotel, please drive past the road leading up to P12, down the hill around the corner and you will find the Hotel situated on the right side of the Kornmarkt.

Parking

We offer parking at a rate of Euro 8,- per night in Car Park number 12 (P12). Tickets for leaving the car park can be obtained at reception. As it is a public car park, we are unable to reserve spaces.

From the main railway station in Mannheim, there is an S-Bahn, which commutes to Heidelberg every 20 minutes. There is also a direct Rail link to Heidelberg from most major cities. When leaving the railway station in Heidelberg, please leave via the side exit (the narrow part of the building), which will bring you directly to the bus and tram station. Bus number 33 will take you to the Kornmarkt. Alight from the bus at »Bergbahn/ Rathaus« and the Hotel is just around the corner.

The fastest connection from 'Frankfurt am Main' airport is via the ICE train to Mannheim, then with the S-Bahn to Heidelberg and thereafter the bus connection as described above. There is also a taxi stand at the railway station.
